

Moray Pathways Employability Training @ UHI Moray

For Individuals

Looking for help or advice about getting into the job market?

Thinking about college or unsure what to do next?

We can offer you 1-to-1, fully funded and tailored training packages, matching your skills and interests so you can achieve recognised certification and the training you need to succeed.

"After talking to my key worker, I was referred to pathways training. I am now a full-time student at UHI Moray and receiving support when I need it."

"My friend told me about some employability courses I could take at UHI Moray. I looked in to referring myself and have now gained my CSCS card."

"My work coach suggested I take an employability course with pathways training at UHI Moray. After receiving support with my CV and interview skills, I am now in full-time employment."

For Organisations

Do you work with anyone who would benefit from help in finding a vocation or training that matches their interests and abilities?

We equip participants with the skills they need to succeed and thrive. They will gain a range of soft skills needed to succeed together with volunteering and workplace opportunities, accredited certification and further learning opportunities. They will improve their confidence, gain communication and team working skills while expanding their knowledge and understanding of the opportunities that are available.
