

Positive Test Result? What to do Next

Student Version

Any student who records a positive test result must:

- Register their results with the NHS www.gov.uk/report-covid19-result which initiates contact tracing
- Immediately begin self-isolation at home;
- Order a PCR test the same or the next day; and
- Inform the college immediately of their absence:
 - Please contact student services by telephone on 01343 576354 during working hours or at all other times by email to Student.Services.Moray@uhi.ac.uk.
 - Make sure you include your student number.

The college will identify in partnership with the local Health Protection Team close contacts of the case in the college (excluding household and social contacts outside of college).

Those contacts of positive cases will be required to self-isolate and take a PCR test in accordance with national guidance.
