GUIDANCE FOR STUDENTS SEEKING ACCOMMODATION

The College provides the attached information on the basis that it simply constitutes a listing of accommodation and as such has not been vetted by the College. The arrangements are strictly between the student and the landlady/landlord and consequently the College does not accept any responsibility with regard to contractual arrangements. However it is now a legal requirement that private landlords in Moray are registered with Moray Council, unless the landlord is residing in the same property as the tenant, i.e. if you are renting a room in the owner's house. Whilst Moray College does not enforce landlords who advertise in this booklet to register, we would recommend that you visit the following site (unless you will be living in the same home as the landlord) www.landlordregistrationscotland.gov.uk

Also if you are residing out with the landlord's own home, should a deposit be required, then the landlord has a legal requirement to lodge the deposit with a government approved scheme. Further information can be found at http://scotland.shelter.org.uk/get_advice/information_for_landlords/tenancy_deposit_schemes

Before you commit yourself to the accommodation being offered you should find out the terms, for example:

- Is the accommodation for five or seven days per week?
- How much does it cost?
- Is the rent paid in advance or at the end of the week?
- If you wish to leave or if the landlady/landlord wishes you to leave, how much "notice" must be given?
- What about holidays? Will your room be kept for you? Will you have to pay a retainer?
- Is it B&B or B&B plus evening meal or self-catering?
- Is it a single room or sharing?
- Make sure you have a written Agreement for rental of property.

Remember you are living in someone else's house and must respect their wishes. Find out if there are any house rules.

- Do I get a key?
- Are you expected to be in by a certain time?
- What are meal times?
- Do you have to let your landlady/landlord know if you will be late or if you will not be in for a meal?
- Can you have a bath/shower whenever you want or only at certain times?
- Is there any surcharge for fuel? I.e. Gas, coal or electricity?

Landlady/landlords differ in how they run their establishments. It is up to you to fit into their pattern provided it is not unreasonable.

Accommodation can be difficult to find in Elgin and moving may not be easy. However, if you decide to move, give yourself time to search for other accommodation.

Develop a good relationship with the landlady/landlord – pay rent on time.

Students who are under nineteen years of age and who are following a non-advanced course of study and living out with their parents or guardians home may be eligible to claim Housing Benefit. You can find out more about Housing Benefit entitlement by using an "Access Point" at any Moray Council building.

For details of bus timetables, visit www.stagecoachbus.com Moray buses are operated by **Stagecoach Bluebird**.

SAFETY ISSUES

Carbon Monoxide

Over the last decade, several students in the UK have died and thousands more have suffered illness because of being poisoned by carbon monoxide fumes. The main cause of this has been faulty gas appliances, although solid fuel can also emit this silent, odourless killer.

Regulations have been introduced to tackle this menace and they state that all landlady/landlords must have their gas appliances checked for safety every 12 months. They should also provide all new and existing tenants with a copy of the safety check record.

NUS advice to all students is to demand evidence from their landlady/landlord, regardless of whether it is a university/college or private individual/letting agency.

Fire, Furniture and Electrical Safety

Other important issues for potential tenants to consider when they are seeking accommodation are those of fire, furniture and electrical safety. Helpful tips include:

- Ensure that smoke detectors have been fitted in appropriate places within the property and check to see that there are fire blankets in the kitchen.
- All furniture and furnishings should be made from fire resistant materials and there should be a label attached which confirms this compliance.
- Check all electrical plug sockets for signs of damage and that there are sufficient socket outlets for your needs.

Personal Safety

Having made an appointment to view a property, never go alone. Take somebody along with you or inform a friend about where you are going and when you expect to return.

ACCOMMODATION AGENCIES IN MORAY

In Case of Emergency/Homelessness

, Moray Council, Elgin..... 0300 123 4566
Out of Hours emergency phone.....08457 565656

Email: housing@moray.gov.uk

Moray Council provides a Guide to Housing Options in Moray which is annually updated. You can access this using the following link:

www.moray.gov.uk/moray_standard/page_41349.html

Other useful online leaflets produced by Moray Council are available at http://www.moray.gov.uk/moray_standard/page_49733.html

Social Housing

There is now a Common Housing Register (CHR) called 'apply4homes'. At this site you can make a single application for social housing to all CHR partners. Please click on the following link for further information: www.moray.gov.uk/moray_standard/page_80021.html
