**Treatments
and Services**
2024-2025

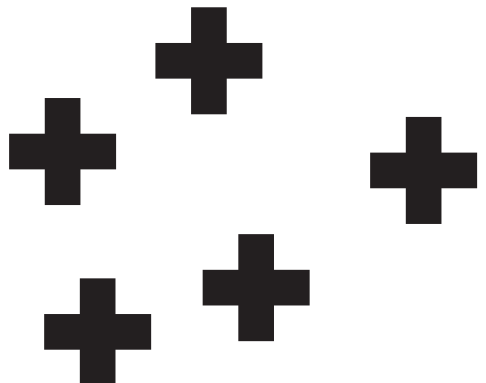

UHI | MORAY
MOIREIBH

SKIN TEST/SENSITIVITY TEST

Due to strict Health and Safety Regulations, it is necessary for **all** clients to have a skin test/sensitivity test before **their first** appointment for the following services:

- + Hair Colouring *(24 - 48 hours before)*
- + Eyelash/Eyebrow Tinting *(at least 24 hours before)*
- + Application of False Lashes *(at least 24 hours before)*
- + Lash Lift/Creative Brows *(at least 24 hours before)*
- + Spray tanning *(24 - 48 hours before)*
- + Microblading *(48 - 72 hours before)*

This relevant test **must** be carried out by our students within the learning and teaching environment. Unfortunately, treatment **cannot** be carried out without undergoing a test.

UHI Moray would like to take this opportunity to welcome you to our Salons.

We operate in a learning environment therefore we would appreciate that you consider the following when making your appointment:

- + additional time may be required for services/treatments - we would appreciate if this could be allowed for
- + services/treatments availability may vary throughout the academic year due to course requirements
- + services/treatments are supervised by our trained and experienced lecturers
- + we cannot guarantee you the same student for every appointment (unless your service/treatment is a Case Study)
- + parental/guardian consent may be required for certain treatments
- + a consultation is integrated into every treatment to identify aims, objectives and possible contra-indications to treatment
- + you are responsible for your own personal belongings including those removed for treatment purposes. UHI Moray will not be responsible for the loss, damage or theft of any personal items
- + UHI Moray reserves the right to alter appointments at short notice to meet educational commitments

Thank you to all our regular clients for continuing to support our students during their training, and we look forward to welcoming you back again.

Every effort will be made by staff & students to comply with the Health & Safety At Work etc. Act 1974.

+ Manicures & Pedicures

Indulge your hands or feet with one of Manicure or Pedicure treatments.

Beginning with a consultation and analysis our therapists will agree a treatment package with you including filing, cuticle work, exfoliation, and massage.

Depending on your skin needs the treatment will also include a paraffin wax application or a mask and with heated mitts/booties.

Luxury Manicures & Pedicures will include application of traditional polish.

+ Nail Services

Ideal for clients looking for longevity & strength from our range of nail treatments. Includes filing and dry cuticle maintenance. Included within the price is a free gel polish removal.

Builder in a Bottle: A gel-like nail polish applied as an overlay on natural nails, making nails stronger & more durable.

Polygel: A hybrid nail polish formula of acrylics and gel for durable, strong & long lasting nails.

Please note we are unable to remove gel polish products which have not been applied within the HBCT salons.

+ Waxing

Rid yourself of unwanted hair with one of our waxing treatments or packages.

Using hot or warm wax the area will be left silky smooth and hair free.

+ Eye Treatments*

Define and enhance your eyebrows and lashes with our extensive range of eye treatments & packages. *(No skin test required for Eyebrow Threading.)*

+ Facials

Why not enjoy a relaxing, deep cleansing facial.

Following a consultation & skin analysis, your therapist will tailor your facial to treat your specific skin type and conditions.

Skin will be left replenished hydrated and protected.

+ Massage

Relax and unwind with one of our massage treatments.

Ideal for those with areas of tension or to help improve general wellbeing your therapist will customise the treatment to meet your specific needs.

+ Tanning*

Please refer to the guidance notes opposite for tanning services.

+ Microblading*

Semi-permanent makeup to enhance symmetry, restore volume and give definition back into the eyebrow using the One Pass technique.

A second appointment will be required for a top-up treatment after 6-8 weeks (included in cost, please book at time of initial treatment.)

Clinical Sports Massage	£17	1st year
Remedial & Sports Therapy	£21	2nd year

Treatment Offer

Enjoy 50% off your 4th treatment!
To maximise the benefits of your chosen therapy, we recommend a course of treatments. Book in for any three treatments with our Integrative Healthcare students for 50% off your fourth treatment.
(Offer valid on treatments within the current academic year)

Treatments are only available at certain times throughout the academic year.

The majority of treatments last 1 hour.

Please contact the HBCT Reception for further information.

+ Body Massage Therapy

Full body massage which aims to relax or stimulate you depending on your individual requirements.

+ Reflexology

A treatment which applies pressures and massage to particular reflexes on the feet or hands.

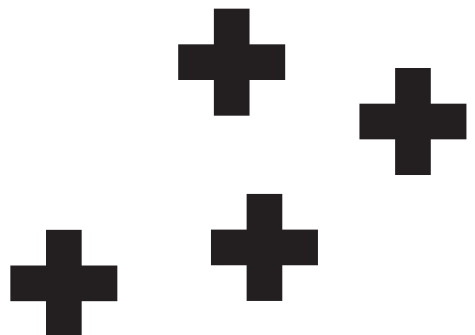

Each reflex connects with an organ or body system and can offer a range of health benefits.

+ Aromatherapy Massage with Essential Oils

Using Essential Oils alongside massage and tailored blends, this therapy can help to alleviate a variety of stresses or conditions while helping to relax and revitalise.

+ Remedial and Sports Massage

Sports and remedial massage is a targeted treatment that addresses musculoskeletal issues to relieve pain, enhance performance and improve overall function in athletes and non-athletes alike. The massage of choice for professional athletes and active individuals, but also suitable for anyone recovering from injury, experiencing postural issues or those seeking relaxation & relief from muscular discomfort or tension. Treatments are tailored to individual client needs and include postural assessment and muscle length & strength testing.

Sport

Group Exercise Sessions £3

Exercise Testing Session £10

Health and fitness testing and 6 weeks training programme £25

+ **Group Exercise Sessions**

A range of different exercise classes available.

Sessions will be offered on Tuesday mornings or Thursday afternoons, from November - January.

Please contact us to arrange your personal timetable.

+ **Exercise Testing Session**

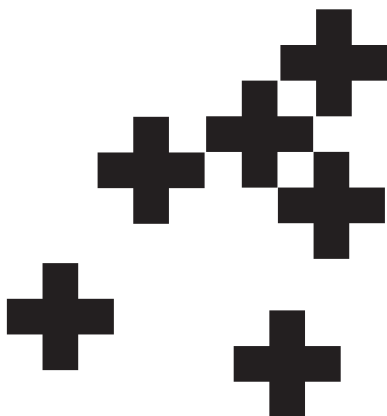

Testing various aspects of health and skill related fitness to determine areas to concentrate on or improve on within training and workout schedules, and life in general.

+ **Health and fitness testing and 6 weeks training programme**

Health screening tests, fitness testing programme, goal setting and programme design.

Sessions will run from January.

Please contact us to arrange your personal timetable.
